Love my love my  
I still love my

My valentine running rings around me  
Hanging by a thread but we're loosening, loosening  
The sparks were flyin' not the type that we need  
Bringing a fire that is burning me , burning me

(I know) Nobody said that it'd be easy  
(My heart) That we could find a way, make a way  
(But you don't) You don't prioritize me  
How'm I s'posed to believe yours games will ever  
change, ever change

[CHORUS]

It's such a dirty mess imperfect at it's best  
But it's my love, my love, my bloody valentine  
Sometimes I wanna leave but then I watch you next to  
me  
My love, my love, my bloody valentine  
Maybe I should but still I just can't walk away  
Try to convince me once again that I should stay  
Through all the brokenness this bleeding heart must  
confess  
I love my love my bloody valentine

Love my love my  
I still love my (bloody valentine)  
I opene doors but you close them on me  
I'm compromising won't you show the same ,help the  
change  
You're phone is ringing it says shorty ,so tell me  
What's her name ,how'd she get your number?  
Don't try to be playin' me

(Cuz i'll know) Before you even say anything  
(But I hope) You wouldn't lie to me ,don't lie to me  
You know that we've been here before  
OH Don't patronize ,don't feed me lines  
Just change your ways yeah make it right

Repeat [CHORUS]

Love my love my  
I still love my (bloody valentine)  
Love my love my  
I still love my (bloody valentine)

Repeat [CHORUS]
