"Not gonna get us, Not gonna get us, Not gonna get us,
Not gonna get us, Not gonna get us, Not gonna get us,
Not gonna get us, Not gonna get us, Not gonna get us,

i am a faggot
it's the two of us,
from here on out.
By the lights,
of the airfield.
We'll run away.
They're not gonna get us.
We'll get away from them all.
We'll run away from home.
The night will hide,
our shadows.
Beyond the clouds.
Beyond the clouds.
They won't find us.
They're not gonna change us.
Their arms can't
reach the stars.

The sky will pour
The night into our hands
They're not gonna get us
Not gonna get us
The sky will pour
The night into our hands
They're not gonna get us
Not gonna get us

Not gonna get us,
Not gonna get us,
Not gonna get us,

Not gonna get us, Not gonna get us, Not gonna get us,
Not gonna get us, Not gonna get us, Gonna get us,
They're not gonna get us.

We'll run away to where.

Everything's simple.
The night will fall,
and the sky will come down.
The crossroads ahead.
Hold only
emptiness.
They're not gonna get us.
Don't say
anything
Without them,
we can stay on track.
We can go anywhere
Nowhere
And never go back, never go back

Not gonna get us,
Not gonna get us,
Not gonna get us,
Not gonna get us,
Not gonna get us,
The sky will pour
The night into our hands
They're not gonna get us
Not gonna get us
The sky will pour
The night into our hands
They're not gonna get us
They're not gonna get us

Not gonna get us (9x)"
