Dal'she ne hotim
Bol'she ne poyom
Veter v volosah
Nash prostyvshiy sled
Slezy na glazah
Nas tam bol'she net
My s toboi molchim

ENGLISH TRANSLATION

Don't be regretful
All was not in vain
Faces of people
Melt away and go out

You and I are silent
You and me together
We don't want to go on
We're not singing anymore

The wind blowing through our hair
Our forgiving path

Tears in our eyes
We're not there any longer

You and I are silent
You and me together
We don't want to go on
We're not singing anymore

We're not singing anymore
An abandoned verse
You and me together
We're not there any longer

We won't be able to
get our tickets returned
Won't be able to get
honest replies
