Out of luck with love, but still I played the
gameâ€”Crossed the heart and hoped to God that it
would changeâ€”So many times, afraid to give my
heart awayâ€”That was before you cameâ€”Showed
me another way

Close my eyesâ€”And tell myself that its all right (its ok
girl, its ok girl)â€”Do you feel the way I feel?â€”Cause
if I let you inâ€”Baby you can get the best of me

The way that you love me, love me, love meâ€”Sgot me
thinkin Im ready, ready, readyâ€”When I couldnt
seeâ€”You know you made me believe thatâ€”Im ready
for loveâ€”

The way that you love me, love me, love meâ€”Sgot me
thinkin Im ready, ready, readyâ€”Cant keep it
insideâ€”Because youre doing it rightâ€”And Im ready
for love

Resigned to me, myself and I but you flipped
itâ€”Never thought that I would find something like
thisâ€”You stole my heart and ooh you got me
goodâ€”Keep doing what you doâ€”Coss Im so in love
with you

Talk to meâ€”And tell me (sok girl, go ahead
girl)â€”Cause Im laying down my cardsâ€”And Im
putting down my guard

Hold up, wait a minute, want my love? Come get it, get
it!â€”(Im ready for, Im ready for love, Im ready for, Im
ready for love)â€”Said hold up, wait a minute, want my
love? Come get it, get it!â€”(Im ready for, Im ready for
love, Im ready for, Im ready for love)â€”Said hold up,
wait a minute, want my love? Come get it, get it!â€”(Im
ready for, Im ready for love, Im ready for, Im ready for
love)

Close my eyesâ€”And tell myself that its all right (sok
girl, go ahead girl)â€”Cos Im laying down my
cardsâ€”And Im putting down my guardâ€”Baby you

can get the best of meâ€”Baby you can get the best of
me
