[Chorus]:

I pick all my skirts to be a little too sexy  
Just like all of my thoughts they always get a bit  
naughty  
When I'm out with my girls I always play a bit cheeky  
Can't change the way I am sexy naughty cheeky me

I'm the kind of girl that girls don't like  
I'm the kind that boys fantasize  
I'm the kind that your momma  
and your daddy were afraid you'd turn out to be like  
I may seem unapproachable  
but that's only to the boys who don't have the  
Right approach or ride that makes a girl like me  
wanna hop in and roll

[Pre-Chorus]:

People think it's intimidating  
when a girl is cool with her sexuality  
I'm a 180 to the stereotype girls like staying home  
and being innocent

[ Chorus ]

My mouth never takes a holiday  
I always shock with the things I say  
I was always the kid in school  
who turned up to each class bout an hour late and  
When it comes to the guys I'd lay,  
I'd always pick the ones who won't figure out that  
I was clearly rebel to the idea of monogamy

[ Pre-Chorus ]

[ Chorus ]

[ Pre-Chorus ]
