How did we ever go this far?
You touch my hand and start the car
And for the first time in my life
I'm crying.
Are we in space? Do we belong
Someplace where no one calls it wrong
And like the stars we burn away
The miles.

[Russian Rap:]
Ya zvezda, ty zvezda.
Nas prikazano szhech.
Kto-to sdal I dostal
Adresa nashikh vstrech.
Potolki po glazam
I nikto ne naidet.
Soskol'znut golosa,
I slomaetsya led.
I nich'ya bez klyucha,
I mogila postel'.
I pora vyklychat',
I oni na khvoste.
Ulybnis', razvyazhi,
Zanaves' zerkala
Razorvi, I skazhi.
Umerla, umerla.
Zamykai I lizhi
Stanovis' nikakoi.
I ruka ne drozhit
Vse v poryadke s rukoi.
Mozhno mstit'.
Dvajdi dva
Na taksi I sosi
A prostit' nikogda,
Nikogda ne prosi.
Khorosho, khorosho.
Ya pridumala mest'.
Poroshok vse chto est'.
Umnozhayu na shest'.
Ne zvoni, ne zvoni.
Ya ustala, ya ustala.

Ya tebya ne khochu
Ty menya za***la

How did we ever get this far?
It shouldn't have to be this hard.
Now for the first time in my life
I'm flying.
Are we in love? Do we deserve
To bear the shame of this whole world?
And like the night we camouflage
Denial.

[Russian Rap:]
Nikogda nichego,
Nichego ne nachat'.
Nikogda nikogo,
Umirat' i molchat'.

Ne iskat', ne lyubit',
Ne zhalet', i ne spat'.
Nikogda, nikuda
Nikogo ne puskat'.

Ne vdvoem. I ub'em.
Im prisnit'sya voda.
Ne tvoe. Ne moe.
Provoda. Provoda.

Geroin, pulsa net,
Tol'ko ty ne pri chem.

Abonent otklyuchen...

How did we ever go this far?
You touch my hand and start the car
And for the first time in my life
I'm crying

Are we in love? Do we deserve
To bear the shame of this whole world
And like the night we camouflage
Denial.
