I'll play you out like PSP, Nintendo Wii and Sega 3 or 4
or 5

What have you... Why would you even try to get above
me?

You're too ugly, ugly

I'm like TV, you see me, hear me like CD
But clearly we be on different degree levels, whatever
No you can't me touch me
T-T-Touch me, touch me

Ladies and Gentlemen you're welcome to the
freakshow
It's official and you're seated in the front row
Don't you blink cause you're about to see some heads
roll
Live and direct - Full on effect
Shit gonna, gonna get...
Ugly - Ugly
Oh Wee

OH my God you didn't
Are you kidding?
Can you keep your kitten in the cage?
Instead of every tabloid page
Now that's nasty
That shit is nasty, nasty

Don't tell me watch my mouth
I'm not about to watch my mouth
I can't turn my eyeballs inside out
This is my house, my house
I'm classy
You're t-rashy, trashy

Ladies and Gentlemen you're welcome to the
freakshow
It's official and you're seated in the front row
Don't you blink cause you're about to see some heads
roll
Live and direct - Full on effect
Shit gonna, gonna get...

Ugly - Ugly
Oh Wee
