I am all gone
It is very serious
Situation HELP
Situation SOS
I cannot understand myself
Where did you appear from?
The light is shutting down
I am flying somewhere
Without you there is no me
I don't want anything
It is the slow poison
It is making me crazy
But they say it is all my fault.

I've lost my mind
I've lost my mind
I need her
I need her
I have lost my mind
I need her.

Without you I am not myself
Without you there is no me
But they say, they say
It is delirium
It is poison from the sun
It is making me crazy
But they say it is all my fault
I did try to forget
To the end and down
I did count the poles
And confused birds
Without you there is no me
Let me go, let me go
To the corner and down
Mom, Dad forgive me

I've lost my mind
I've lost my mind
I need her
I need her

I have lost my mind
I need her.

1,2 go after 5
Mom, Dad forgive me
I've lost my mind

1,2 go after 5
Mom, Dad forgive me
I've lost my mind

I've lost my mind
I've lost my mind
I need her
I need her
I have lost my mind
I need her.

[YA SOSHLA S UMA]

Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona
Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona

YA SO-SHLA S U-MA

Menya polnostyu net
Absolyutno vser'ez
Situastsiya help
Situastsiya SOS

Ya sebya ne pojmu
Ty otkuda vzyalas
Pochemu, pochemu?
Na tebya povelas

Vyklyuchaestsya svet
Ya keuda - to lechu
Bez tebya menya net
Nichego ne khogu

Eto medlennyj yad
Eto svodit s uma
A oni govoryat - vinovata sama
A oni govoryat - vinovata sama

Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona
Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona

YA SO-SHLA S U-MA
MNE NU-ZHA O-NAAAA

Bez tebya ya ne ya
Bez tebya menya net
A oni govoryat
Govoryat et bred

Eta solnechnye yad
Zolotye luchy
A oni govoryat
Nado srochno lechit

Ya khotela zabyt do upora I vniz
Ya shtala stolby I Rusteryannykh ptits
Bez tebya menya net, otpyasti otpyasti
Do ugla po stene mama-papa prosti...

Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona
Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona

Raz, dva posle pyati
Mama papa prosti
Ya so-shla s u-ma
Raz, dva posle pyati
Mama papa prosti
Ya so-shla s u-ma

Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona
Ya soshla s uma, ya soshla s uma
Mne nuzha ona, mne nuzha ona

Ya soshla s uma, ya soshla s uma
Ya soshla s uma, ya soshla s uma...
