Hello...  
Hello...  
Do you see wind?  
So what?  
Just look at the window.  
So what?  
It was sun yesterday.  
So what?  
Why are you always saying the same thing?  
I am -answering machine.  
Just to calm down,  
Silence is gold,  
Radio insomnia,  
Station parting.  
Who will get who,  
Coins will show?  
Who will be left to who,  
By nerves, pills?  
Behind the windows at night  
(she) Will yell and break,  
This doesn't count, this doesn't count.  
(She is) faithful, not faithful,  
Quite, sad.  
I am not your first,  
You are my sudden.

(you) Show, show, show, show,  
Show, show me love.  
(you) show, show, show, show,  
Why, why I am with you.  
(you) Show, show, show, show,  
Show, show me love.  
(you) show, show, show, show,  
Why, why I am with you.

I guess (someone) will refuse,  
Easier not to meet (not to introduce ourselves to each other)  
Who of us will refuse,  
Just to calm down.  
Girls like girls,

And then- sleepwalkers.  
Numbers and narrows,  
Chocolate bars, wrappings.  
(she) Will hide, cry,  
Will, say, scare.  
This doesn't count, this doesn't count  
I am not your first,  
You are my sudden.  
(you) Show, show, show, show,  
Show, show me love.  
(you) show, show, show, show,  
Why, why I am with you.  
(you) Show, show, show, show,  
Show, show me love.  
(you) show, show, show, show,  
Why, why I am with you.

[Ya Tvoya Ne Pervaya]

Allo,  
Allo,  
Vidish' veter?  
Nu I chto?  
Posmotri v okno,  
Nu I chto?  
A vchera bylo solntse,  
Nu I chto?  
Zachem ty vse vremya govorish' odno I tozhe?  
A ya avtootvetchik.

Vzyat' I uspokoit'sya,  
Zoloto Molchanie,  
Radio bessonitsa,  
Stantsiya proschanie.  
Kto komu dostanetsya,  
Vypadet monetkami?  
Kto komu ostanets'ya  
Nervami, tabletkami?  
Za nochnymi oknami  
Zakrichit, slomaetsya,  
Eto ne schitaetsya, eto ne schitaetsya.  
Vernaya, nevernaya,  
Tikhaya, pechal'naya.  
Ya tvoya ne pervaya,  
Ty moya sluchainaya.

Pokazhi, pokazhi, pokazhi, pokazhi,  
Pokazhi, pokazhi, mne lyubov'.  
Pokazhi pokazhi, pokazhi, pokazhi.  
Pochemu, pochemu ya s toboi.  
Pokazhi, pokazhi, pokazhi, pokazhi,

Pokazhi, pokazhi, mne lyubov'.  
Pokazhi, pokazhi, pokazhi, pokazhi.  
Pochemu, pochemu, ya s toboi.

Kazhetsya, okazhetsya  
Prosche ne znokomit'sya.  
Kto iz nas otkazhetsya  
Vzyat' I uspikoit'sya?  
Devochki kak devochki,  
A potom - lunatiki,  
Nomera I strelochki  
Shokoladki, fantiki.  
Spryachetsya, rasplachetsya,  
Skazhet, ispugaetsya.  
Eto ne schitaetsya, eto ne schitaetsya.  
Vernaya, nevervaya,  
Tikhaya, pechal'naya.  
Ya tvoya ne pervaya,  
Ty moya sluchainaya.

Pokazhi, pokazhi, pokazhi, pokazhi,  
Pokazhi, pokazhi, mne lyubov'.  
Pokazhi pokazhi, pokazhi, pokazhi.  
Pochemu, pochemu ya s toboi.  
Pokazhi, pokazhi, pokazhi, pokazhi,  
Pokazhi, pokazhi, mne lyubov'.  
Pokazhi, pokazhi, pokazhi, pokazhi.  
Pokazhi, mne lyubov'.....
