[Fredro Starr]

But real niggas never die, word up
I throw my guns up for niggas locked up
To all my project niggas, niggas on chrome
To all my hustlers, my dealers
Fuck the squealers, word up
My ghetto inmates and fallen soldiers
To all my ignint bented bitches, word up
It's Other People Money, niggas word up
I told ya not to fuck wit this
Yo Firestarr, I'm America's Most
Firestarr, I'm America's Most
Yo Firestarr, I'm America's Most
Firestarr, I'm America's Most
Yo Firestarr, I'm America's Most
Firestarr, I'm America's Most
Yo Firestarr, I'm America's Most
Firestarr, I'm America's Most
