GK: That love  
You know what  
It's Glamma and Shola Ama (uh)

Shola: You give me the sweetest taboo (that's true,

You good for me (you good for me)

GK: You know what, hey I know you know nobody can  
stop it  
I'll keep a secret and I won't chat it (mmm)  
I know you know nobody can flop it  
I'll be the love safe with the key to lock it  
It's the way you move your hips that does it for me  
And your warm smile that makes me love you honey

I love you more than my gold girl and my money  
I want to take you home and introduce you to my  
Mummy, because
