LA girls, you wanted something special to talk about
But nothing worthy ever came out of these girls
LA girls, I don't know what you're tryin to do to me
You got something I just can't see LA girls
If you're tryin to see me

LA girls (I'm not here to see)
LA girls (don't try to pay me)
I know that you're trying to make it,
so stop fooling me, I ain't here to see
LA girls (I'm not here to see)
LA girls (don't try to pay me)
Try to impress with cheesy pick up lines
when you're dancing on your roller skates

LA girls, I'm not the one who's trying to classify
I got something you can't deny, LA girls
LA girls, you wanted something special to talk about
But nothing worthy ever came out of these girls
If you're trying to see me

LA girls (I'm not here to see)
LA girls (don't try to pay me)
I know that you're trying to make it,
so stop fooling me, I ain't here to see
LA girls (I'm not here to see)
LA girls (don't try to pay me)
Try to impress with cheesy pick up lines
when you're dancing on your roller skates

You got the wrong man
Baby you got the wrong man
Baby you got the wrong man
You got the wrong man
Do I need to beat it to make you fully understand
Hey you got the wrong man
Hey you got the wrong man
Baby you got the wrong man
Do I need to beat it to make you fully understand
If you're tryin to see me

LA girls (I'm not here to see)
LA girls (don't try to pay me)
I know that you're trying to make it,
so stop fooling me, I ain't here to see
LA girls (I'm not here to see)
LA girls (don't try to pay me)
Try to impress with cheesy pick up lines
when you're dancing on your roller skates
