"Last Party"

Last party that we ever made
We were dancing in the middle screaming
Don't hesitate!
Last party that we ever made
We were dancing in the middle screaming
Celebrate!

She said
"I'm a lonely girl"
Let me take a minute to introduce myself
I'm the prettiest boy on the planet
And you're the lonliest girl in the world

Last party that we ever made
We were dancing in the middle screaming
Don't hesitate!
Last party that we ever made
We were dancing in the middle screaming
Celebrate!

I said, I don't even think I got your name right
Is that your hand slipping down my back
People, down in the flare
I see us dancing in the middle singing "Celebrate!"
You got me doing the things I'm about to say
I think you know
I think you know

Last party that we ever made
We were dancing in the middle screaming
Don't hesitate!
Last party that we ever made
We were dancing in the middle screaming
Celebrate!

I'm the prettiest boy on the planet
And you're the lonliest girl in the world
I don't know how to handle it
But I think you know
I think you know
I think you know

Last party that we ever made
We were dancing in the middle screaming
Don't hesitate!
Last party that we ever made
We were dancing in the middle screaming
Celebrate!
