You're out in the blue, girl
And I can see right through you, girl
I'm a big, big part of my city
I said yeah
And I got my people to love
Ain't no good, girl
Ain't no good, girl
Ain't no good, girl
If you play on
Play on, play on
Play on, play on
No more sweet talking girl

Mystikal, Miss Mystikal
Don't be mystical right in front of me
Trivial, Miss Trivial
It's so trivial you're not touching me

You're out for a screw, girl
But I can see right through you, girl
Call me superficial
You really need people to love
Ain't no good, girl
Ain't no good, girl
Ain't no good, girl
If you play on
Play on, play on
Play on, play on
You! Just pass the lime, girl

Mystikal, Miss Mystikal
Don't be mystical right in front of me
Trivial, Miss Trivial
It's so trivial you're not touching me

Why can't you let me be alone instead of
Start fighting
We gotta stop the fighting, girl
I can't just watch you walk around
and keep on pretending
Don't be mystical, girl

Don't give it to me
Don't give it to me
Oh, Mystikal
Don't give it to me
Don't give it to me
I said no!

Why can't you let me be alone instead of
Start fighting
It's like yeah
I can't just watch you walk around
and keep on pretending
Girl!

Mystikal, Miss Mystikal
Don't be mystical right in front of me
Trivial, Miss Trivial
It's so trivial you're not touching me
Mystikal, Miss Mystikal
Don't be mystical right in front of me
Trivial, Miss Trivial
It's so trivial you're not touching me
