Don't give it up my baby
We can't spend our time alone
Don't give it up my baby

Let's take it nice and slow
I just wanna talk and let you know
I'll tell you anything you want me to tell
Don't give it up my baby
Give us some time, some time
We'll be around you'll see
Give me something to lean on baby
Don't give it up my baby

Don't give it up my baby
We can't spend our time alone
Don't give it up my baby

Tell me no lies, no lies
If you don't wanna see me cry
Can't you see what's in me baby
Don't give it up my baby
Give us some time, some time
To get in the loop, to feel
Can't you see that I'm going crazy
Don't give it up my baby

Don't give it up my baby
We can't spend our time alone
Don't give it up my baby

You know exactly about the way I feel
I'm too blue to play with
Don't ask about our secret diamond deal
Secret diamond deal
Don't give it up my baby
We can't spend our time alone
Don't give it up my baby
Secret diamond deal

Don't give it up my baby
We can't spend our time alone

Don't give it up my baby

I'm to blue to play with

I'll tell you anything you want me to

(To keep our secret diamond deal)

Don't look around it's right in front of you

(Let's keep our secret diamond deal)
