Shut up and eat, too bad no bon appetit,
shut up and eat, you know my love is sweet!

Yes, I'm cooking for my son and his wife,
it's his thirtieth birthday.
Pour Berries into a bowl, add milk of three months ago!
It's moldy mom isn't it?
I don't give a flying f**k though!

Shut up and eat, too bad no bon appetit,
shut up and eat, you know my love is sweet!

It's food nouveau, it's food nouveau
The shape of love
Beat it! Beat is up!
Extra sugar, extra salt, extra oil and MSG!
Extra sugar, extra salt, extra oil and MSG!

Shut up and eat, too bad no bon appetit,
shut up and eat, you know my love is sweet!

You were born in the sixties,
we made a war with the Vietnamese
We loved LSD, we died easily
can we just say, c'est la vie?
So what? Say what? For your own sake
Do you have a headache, or a heartbreak?
Are you made or broken by the birthday cake?
You may be slow on the uptake
I pour pot in the birthday cake (mmhmm)
So what? Say what? For my own sake!
Watch out yo! Here I come yo!
I'm gonna change to a rattlesnake
Turn up the TV! Do you agree?
I'm talking turkey, take it from me!
I'm gonna show my love for my dove
but it's moldy mom, isn't it?

Extra sugar, extra salt, extra oil and MSG!
Extra sugar, extra salt, extra oil and MSG!

Shut up and eat, too bad no bon appetit,
shut up and eat, you know my love is sweet!
