The sunshine, too light - The ocean, too wide - I'm sick  
of your cliché - The  
sky is kind - Love is blind - You can't let go of the lost  
pain - You are in the  
maze - Spending every day - I'm in the haze - I want the  
getaway - Can you  
take my silver wheat? - Mix it up with butter and treat - I  
feel a chill go down  
my feet - Your maple is so sweet - But it's too mushy,  
baby - We've got to  
get out - To get out the hell out - We've got to get out -  
To get out the hell  
out - Got to get me out of here - Before it goes stale
