From the moment that I saw you, babe
All I think about is loving you
Every time that you are near
I just can't help but stare
I'm dreamin' of eternity with you

So, maybe I can run away with you
Imagine all the things we'd do
Call my name
And make this fantasy for real

Baby I can run away with you
Imagine all the things we'd do
Call my name
And make this fantasy for real

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can you feel the vibes I'm sendin', baby?
All me energy and thoughts towards you
There's no way I could let go
Of all these dreams and hopes
Anxieties so deep, feelings so new

Just maybe I can run away with you
Imagine all the things we'd do
Call my name, call my name
And make this fantasy for real

Babe, can we run away with you?
Imagine all the things we'd do
Just call my name, call my name
And make this fantasy for real

'Cause boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Fallin' for you, this love's a T K O
Fallin' for you, baby
Fallin' for you, this love's a T K O
Fallin' for you, baby

Here it is a groove slightly transformed
Again, but with a Tatyana Ali spin
I knew ever since she was ten
As Fresh Prince from back then

I had a synch she would win
Whatever clique she was in
Now she's all grown up not Ashley
Mad sexy, true but classy

She in the fast lane under my wing
Kissing the sky
Tatyana Ali, girl you knock me out
('Cause, boy, you knock me out)

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out

Can't hold it, I can't fight it
I'm on you and I can't deny it
It's all about the things you do
Boy, you knock me out
