(Chorus):

If you only knew
All the things I feel for you
Boy I want you in my life
I can't deny

If you only knew
All the things I'm going through
Trying to hide what I feel inside
Bout you and I

Lately, it's you baby
Driving me crazy
So what are we gonna about this love?
Tell me, you see
When I come around you boy
You give me joy

(Chorus):

If you only knew
All the things I feel for you
Boy I want you in my life
I can't deny

If you only knew
All the things I'm going through
Trying to hide what I feel inside
Bout you and I

If you only knew, if you only

Sometimes, when I'm alone
I wanna let go
And call you up on the phone to let you know
How hard it's been, holding in this feeling
For you, if you only knew
If you knew

(Chorus):

If you only knew
All the things I feel for you
Boy I want you in my life

I can't deny

If you only knew
All the things I'm going through
Trying to hide what I feel inside
Bout you and I

(Bridge):
Do you acknowledge me?
All I really need to know
We've been friends for some time now
And I want more, so much more
(If only you knew)

If you only, if you only

(Chorus):
If you only knew
All the things I feel for you
Boy I want you in my life
I can't deny

If you only knew
All the things I'm going through
Trying to hide what I feel inside
Bout you and I

If you...
If you only knew
Boy I want you in my life
I can't deny

If you...
If you only knew
Trying to hide what I feel inside
Bout you and I

(Chorus):
If you only knew
All the things I feel for you
Boy I want you in my life
I can't deny

If you only knew
All the things I'm going through
Trying to hide what I feel inside
Bout you and I
