[Chorus 2x - Cassidy & Female Voice]
[Female Voice:] I'd like to make sweet love to you
[Cassidy:] What you say you tryin' to do, huh?
[C:] I'll make you scream like
[F:] AHHH!
[C:] And shout like
[F:] AHHH!
[C:] And sing
[F:] Do di do do di do do do
[C:] Now what you say?
[F:] I'd like to make sweet love to you
You ain't ready for me girl, listen

[Verse 1: Cassidy]
Okay!
I was told you ain't got it nice, 'til you got a wife
But nope I'ma baller cuz, never gon fall in love
Sike that's a damn lie
Ladies put ya hands high
Every man should get a wo-man to stand by
It's called devotion, emotions could make a man cry
But ma wipe ya tears and just stare in that man eyes
Prove that you there for him, prove that you care for
him
That's how you gotta act, prove that you got his back
Prove that you not a rat
Don't creep and ho around, hold him down
'Cuz you know what comes around goes around
And I'm older now and it might seem kinda weird
But man all them damn AIDS commercials got me
kinda scared

[Chorus 2x]
[Female Voice:] I'd like to make sweet love to you
[Cassidy:] What you say you tryin' to do, huh?
[C:] I'll make you scream like
[F:] AHHH!
[C:] And shout like
[F:] AHHH!
[C:] And sing
[F:] Do di do do di do do do

[C:] Now what you say?
[F:] I'd like to make sweet love to you

[Verse 2: Snoop Dogg]
You ever laid on some pink mink sheets blowin'
swishers
Holdin' on some champagne while doin' ya damn
thang
Caressin' on tha world main
Adressin' you is no pain
Betty Wright is playin', no pain, no gain
I did it for the hell of it
Hit it now you tell a bitch
Now she want a little bit, I did it for the smell of it
It's relevant and evident
Yeah girl you heaven sent
I love the way you break and take all the evidence
Pimpin' 'cuz I'm stayin' in your mothafucking residence
While you out bringin' me back the dead presidents
(Pimpin', Pimpin', Pimpin')
You can say that I got you
I do it 'cuz I have to, plus I feel like I got you

[Chorus 2x]
[Female Voice:] I'd like to make sweet love to you
[Cassidy:] What you say you tryin' to do, huh?
[C:] I'll make you scream like
[F:] AHHH!
[C:] And shout like
[F:] AHHH!
[C:] And sing
[F:] Do di do do di do do do
[C:] Now what you say?
[F:] I'd like to make sweet love to you
You ain't ready for me girl, listen

[Verse 3: Cassidy]
Sis if you make love to me
Kissin' and huggin' me
Lickin' and rubbin' me, it'll get ugly
The bed got a mink spread gettin' all cuddley
Pop bub' the hot tub gettin' all bubbly
You don't even gotta ask, all my girls got it bad
Closet full of Prada bags and I ain't even gotta brag
Yeah I keep them lookin' real
Go 'head you can push the wheel
And if ya face tough I might wake up and cook a meal
Whatever you ask for (It's yours)
We can go to my bungalo over in Tahiti with the glass
floors
Fish swimmin' 'round, the moonlight shimmer down

I got the bomb stroke
Girl get ya spine broke

[Chorus Until Fade]

[Female Voice:] I'd like to make sweet love to you

[Cassidy:] What you say you tryin' to do, huh?

[C:] I'll make you scream like

[F:] AHHH!

[C:] And shout like

[F:] AHHH!

[C:] And sing

[F:] Do di do do di do do do

[C:] Now what you say?

[F:] I'd like to make sweet love to you

You ain't ready for me girl, listen
