She tells me about last night and her 103rd first date
(she counted)

And she counted her pairs of pants again
I've only got 53, minus the ones I've got on

I want a restorative beer
To take my mind off these tears
I want a restorative beer

Talked on my 25 foot phone extension cord about the
needlepoint therapy blues
And then I knew

I want a restorative beer
To take my mind off these tears
I want a restorative beer

I want a restorative beer
To take my mind off these tears
I want a restorative beer
