I married a man, oh then  
I married a man, oh then  
I married a man  
He was the plague of my life  
Oh and I wish I was single again

I wish I was single again  
'Cause when I was single my pockets did jingle  
And I wish I was single again

And then he beat me he banged me, oh then  
He beat me he banged me, oh then  
He beat me he banged me  
He swore he would hang me  
And I wish I was single again

He went for the rope, oh then  
He went for the rope, oh then  
He went for the rope  
And I think think I was broke  
And then I wish I was single again

I wish I was single again  
'Cause when I was single my pockets did jingle  
And I wish I was single again

And then my husband he died, oh then  
My husband he died, oh then  
My husband he died  
And I laughed 'til I cried  
Oh, to think I was single again

I married another, oh then  
I married another, oh then  
I married another  
He's the devils grandfather  
Oh, I wish I was single again

I wish I was single again  
'Cause when I was single my pockets did jingle  
And I wish I was single again

And then he beat me he banged me, oh then  
He beat me he banged me, oh then  
He beat me he banged me  
He swore he would hang me  
And I wish I was single again
