If I could ease your pain, If I could lighten your load
If I could make it just a little bit better for you
If I could just help you find that secret place in your
mind
Where the light of understanding lo-ove outshines the
sun

You know that sweet moonshine is not just illegal
whisky
It can also be the light that guides you
Through the shadows of fear-ear when the devil is
near-ear
And you need some kind of helpin' hand to carry you
throw

I know you've been livin' in a downhill raid
You're seein' your death on a military plane
You better hold now, you can't take no more now
No doubt about it when you find out about it
You're gonna wanna run and tell all your friends about
it
Easy, It's so easy-y-y-y

If I could ease your pain, If I could lighten your load
If I could make it just a little bit better for you
If I could just help you find that secret place in your
mind
Where the light of understanding lo-ove outshines the
sun

I know you've been livin' in a downhill raid
You're seein' your death on a military plane
You better hold now, you can't take no more now
No doubt about it when you find out about it
You're gonna wanna run and tell all your friends about
it
Easy, It's so easy

If I could ease your pain, If I could lighten your load
If I could make it just a little bit better for you
If I could just help you find that secret place in your

mind
Where the light of understanding lo-ove
Light of understanding lo-ove
Outshi-i-ines the su-u-u-un

Ease your pain, If I could lighten your load
If I could make it just a little bit better for you
If I could just help you find that secret place in your
mind
Where the light of unde
