Well in a-blue jeans and a boy's shirt, she's mine  
Well in a-blue jeans and a boy's shirt, she's fine  
Well at the recordhop or the drive-in show  
She's always ready to rock 'n' roll  
Yeah, blue jeans and a boy's shift, she's mine  
Well in a-blue jeans and a boy's shirt, she's tough  
When we kiss, she never gets enough  
She's sweet sixteen and a teenage queen  
The finest chick you ever seen  
In a-blue jeans and a boy's shirt, she's mine  
Well, all the guys wanna take her out, but it just can't be  
done  
She tells all the guys that ask, I'm the only one  
Oh, in a-blue jeans and a boy's shirt, she's tough  
When-a she's feelin' fine, she likes to rock  
She likes to hear a wall of sax  
When they do there's nothing lax  
In blue jeans and a boy's shirt, she's mine
