male sings,  
My old flame called today this is what she had to say.

female sings,  
honey I've missin you.

male sings,  
That makes two of us baba.

female sings,  
and if i might can i come by night.

male sings,  
yes can you make it tonight.

both sing,  
I wanna see you soon.  
I - I wanna see you soon.

background harmony on soon.  
soon, soon, soon

female sings.  
honey i can't get no sleep.

male sings,  
that makes two of us baba.

female sings,  
i've been missin, missin you.

female sings,  
and if i might can i come back to stay.

male sing,  
and then we cried

both sing,  
I wanna see you soon  
I wanna see you soon  
I - I wanna see you soon

background harmony on soon.  
soon, soon, soon
