When you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
Dial person to person to my love

Girl, I've seen you hurt so many times
Feel mistreated, heart broken in two, yeah
I got to wipe those tears from your eyes
And I'll be satisfied with a woman like you

If you let me take you
Through the night
Guaranteed you're gonna
Feel alright
All you got to do is
Drop a dime
You can bet your bottom dollar
I'll be on time

When you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
Dial person to person to my love

I know it's gonna take some time
To get over the hurt and pain
And if you need someone to help you through those
nights
Just remember my number, it stays the same

If you let me take you
Through the night
Guaranteed you're gonna
Feel alright
All you got to do is

Drop a dime
You can bet your bottom dollar
I'll be on time

When you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
Dial person to person to my love

Girl, when you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
Dial person to person to my love

When you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
Dial person to person to my love

Oh yeah
Pick up on the lovelive
Dial person to person
To my love
You can love me
Pick up on the loveline
Dial person to person to my love
Won't you come on, girl

When you need some lovin'
Pick up on the loveline
Dial person to person
To my love
Plenty midnight touchin'
Pick up on the loveline
