"Splash"

I could make you a superstar
I can taste the love bite through your hair
Pushing over magazines
I could drown your slavish body there

And I could swim the world with you
If you want me to...
Splash! I never needed someone like I do
Splash! I suffocate myself inside of you
I'd give you everything (so you know)

Ba ba de da bah de de dah

Slicin' up a mandarin
(Ba ba de da bah de de dah)
Let me place the pieces in your eyes
Let me fascinate you
Wrap your mouth around me
Say good-night...aggghhh
Kind of pleasure that holds you tight
Slide a little more

Splash! I never needed someone like I do
Splash! I suffocate myself inside of you
I give you everything...

Between the lies and your confusion
Nothing ever ends
When you're disguised until the sunrise
Nothing ever is...

Ba ba de dah bah de de dah

Splash! I never needed someone like I do..
Splash! I suffocate myself inside of you
I give you everything...
Splash!
Splash!
Splash
I'd give you everything
