The ghost of love keeps hauntin' me
Although you're gone, I can't get free
Just when I think I'm over you
The ghost of love says, peek a boo

Peek a boo, I see you
May all your nights be full of fright
And all your days be blue, ooh, ooh, ooh

You went away, I met this girl
Night and day she shared my world
Just when I thought, I had forgot
That loving spell you weave so well

Suddenly that look comes on my face
And I start starin' way on the space
I know why the girl stopped comin' 'round
The ghost of love done run her out of town

The ghost of love keeps hauntin' me
Although you're gone, I can't get free
Just when I think, I'm over you
The ghost of love says, peek a boo

Peek a boo, I see you
May all your nights be full of fright
And all your days be blue, ooh, ooh, ooh

Your love has died, but mine won't rest
This feelin' for you is jumpin' in my chest
No one else can fill the bill
I'll wait for your return, pray that you will

Round about midnight hour
I start to feel your lovin' power
Right away, I'm tossin' in my sleep
Daybreak finds me wrapped up in my sheets

The ghost of love, ghost of love
Is haunting me, is haunting me

The ghost of love keeps haunting me

Although you're gone, I can't get free
Just when I think, I'm over you
The ghost of love says, peek a boo

The ghost of love keeps haunting me
Although you're gone, I can't get free
Just when I think I'm over you, the ghost of love

The ghost of love, keeps haunting me

Peek a boo, I see you
May all your nights be full of fright
Peek a boo, I see you
And all your days be blue, blue, blue

The ghost of love, is haunting me

Can't get no sleep, wrapped up in my sheets
Full of fright every night
That lovin' spell, you weave so well

Peek a boo, I see you
May all your nights be full of fright
Peek a boo, I see you
And all your days be blue

The ghost of love is haunting me

The ghost of love is hauntin' me
Although you're gone, I can't get free
Just when I think I'm over you
The ghost of love says, peek, peek a boo

Peek a boo, I see
Peek a boo, I see you
Oh, ho, ho, ho, ho, ho

The ghost of love is haunting me
