Turn out the nightlight
Let's put on our song
Turn on your lovelight
And rock me all night long
Turn out the nightlight
Girl, I wanna make love to you

Turn out the nightlight
Say it's been a lonely day
Turn on your lovelight
No more fussin' and fightin' that way
I wanna make you feel right
I need you closer, and closer to me, oh, oh

So won't you please let me in
Let me in your heart again
We should always be the best of friends
Let's keep it together
It's so much better

Turn out the nightlight
Why you look so frown?
Turn on your lovelight
And let's sip a little wine
Lovin' in the moonlight
Makes me want you over and over again

So won't you please let me in
Let me in your heart again
We should always be the best of friends
Let's keep it together
It's so much better, better, better

Uh huh
Uh huh

Oh, I need your love
It's been such a lonely, lonely day
Girl, you look so fine
I know you're mine
I want you over and over and over and over

Uh huh

Yeah, yeah

Turn out the nightlight

Love, turn

Uh huh

Ba, ba, ba, ba da, ba da

Girl, I wanna love you

I wanna make you feel right

Got to make you feel alright, yeah, yeah, yeah

Uh huh

Ba ba ba ba da, ba da

Ooh, I wanna love you

Turn out the nightlight

Oh, let me reach over now

Let me reach over now, uh, uh, uh

Uh huh
