Woh, come on!

The kids want a little action  
The kids want a little fun  
The kids all have to get their kicks  
Before the evening's done

'Cause they're goin' to  
(High school) rah, rah, rah  
(High school) sis, boom, bah  
(High school) hey, hey, hey  
You better let them have their way

They only wanna shake it up, baby  
Dance to the rockin' bands  
They only want a little excitement  
They like to get a little outta hand

'Cause they're goin' to  
(High school) rah, rah, rah  
(High school) sis, boom, bah  
(High school) hey, hey, hey  
You better let them have their way

The kids know what the deal is  
They're getting farther out everyday  
We're gonna be takin' over  
You better get out of the way

'Cause we're goin' to  
(High school) rah, rah, rah  
(High school) sis, boom, bah  
(High school) hey, hey, hey  
You better get out of the way

(High school) rah, rah, rah  
(High school) sis, boom, bah  
(High school) hey, hey, hey  
You better get out of the way

(High school) rah, rah, rah

(High school) cha, cha, cha  
(High school) hey, hey, hey  
You better get out of the way

(High school) rah, rah, rah  
(High school) cha, cha, cha  
(High school) hey, hey, hey  
You better get out of the way

(High school) rah, rah, rah  
(High school) sis, boom, bah  
(High school) hey, hey, hey  
You better get out of the way
