Oh now Yeah Yeah, hey, hey, hey, hey, yeah  
yeah I, I, I, I, I  
See you lyin' here  
You're so close  
You're so near

Causing sensations rollin' through me  
Comes on strong, feels just like a spell  
Sensations rollin', turnin' from me to you  
Causing this aura of heat to swirl

Your lips  
Your undulating hips  
Squeeze me oh so tight  
Fulfill me through the night

Causing sensations rollin' through me  
Comes on strong, feels just like a spell  
Sensations rollin', turnin' from me to you  
Causing this aura of heat to swirl

Yeah  
Comes on strong  
Yeah baby, baby, baby, baby, baby  
Comes on strong  
Don't you know my blood is raging  
Comes on strong  
Darling, darling, darling, darling  
Comes on strong  
I'm tired of all my failings  
Bring me close and burn, burn, burn, ha !

Heat gives way to sweat  
My body's soaking wet  
We slide and slip  
From hip to lip

Causing sensations rollin' through me  
Comes on strong, feels just like a spell  
Sensations rollin', turnin' from me to you  
Causing this aura of heat to swirl

Yeah, yeah, yeah, yeah  
Oh baby, baby  
You'll always make me hot  
Come on and gimme all you got

Yeah  
Yeah, Yeah I, I, I, I, I  
Yeah, yeah I, I, I, I, I, I, I, I, I, I, I, I, I, I  
Yeah, yeah, yeah, yeah
