Back in Lincoln park where I was mostly raised  
Hanging around town where I got totally crazed  
Surrounded by bitches who wouldn't give it in  
Who thought that getting down was an unnatural sin  
I'd whisper "Baby baby help me, feel like I'm gonna  
must  
I need a healthy outlet"

For my teenage lust  
Yes I do now baby  
For my teenage lust  
Do something

Moved into the city to improve my chances  
Chased them at the bars and grabbed them at the  
dances  
They'd huggy snuggle kissy but they'd never go all the  
way  
They'd cringe like in terror when they hear me say  
"Baby baby help me, you really really must  
I need a healthy outlet"

For my teenage lust  
Yes I do now baby  
My teenage lust won't  
Let away much longer

I really need release  
Means so much to me  
How can a young Midwestern boy  
Live in such misery?  
Misery, misery no

Then one day I had the perfect plan  
I shake my ass and scream "Get a Rock 'n' Roll band"  
From now on there'll be no compromising  
Rock 'n' Roll music is the best advertising  
Baby I can help you, you know I got the guts  
I'll be the healthy outlet for your teenage lust

Come on darling come on baby

This teenage lust is driving me crazy  
I gotta have it baby, I can't do without  
When I get the feeling I got to work it out

I ain't got no time, for messing around  
Come on girl you've got to get down  
Come on darling come on baby  
This teenage lust is driving me crazy
