I run right into your pride
Sometimes I'm not so sure
If I wanna know that guy
'Cause you've got a rock hard head
As stubborn as a mule
Oh yeah, and by the way
I still love you
Go on and be that way
Slam that door
Make a scene
Yell some more
Come on let's have it out
Have your say
'Cause with a love this strong,
Baby it's okay
For you to be that way
Sometimes what you don't say
Can leave the deepest cut
I get my feelings hurt and I just go nuts
So try to ignore that girl
She's just blowing off steam
Oh and I don't know about her
But I hope you say to me
Go on and be that way
Slam that door
Make a scene
Yell some more
Come on let's have it out
Have your say
'Cause with a love this strong,
Baby it's okay
For you to be that way
Baby, let's get emotional
Whatta ya say we let it all go?
Go on and be that way
Slam that door
Make a scene
Yell some more
Come on let's have it out
Have your say
'Cause with a love this strong,

Baby it's okay
For you to be that way
