My heart's not ready for the rocking chair
I need somebody who really cares
So tired of livin' solitaire
Someday I'm gonna be
Safe in the arms of love

Strip your heart and it starts to snow
Love is hire-wire act I know
Someday I'll find a net below

Someday I'm gonna be
Safe in the arms of love
Safe in the arms of love

CHORUS

I want arms that know how to rock me
Safe in the arms of love
I wanna fall and know that love has caught me
Safe in the arms of love
Safe in the arms of love

I want a heart to be forever mine
Want eyes to see me satisfied
Gonna hang my heartaches out to dry
Some day I'm gonna be safe in the arms of love
Safe in the arms of love
