If there were no words
no way to speak
I would still hear you
If there were no tears
no way to feel inside
I'd still feel for you
and even if the sun refused to shine
even if romance ran out of rhyme
you would still have my heart untill the end of time
you're all I need, my love, my valentine

All of my life
I been waiting for
all you give to me
you've opened my eyes
and showed me how to love unselfishly

I've dreamed of this a thousand times before
but in my dreams I could'nt love you more
I will give you my heart
untill the end of time
you're all I need, my love, my valentine

and even if the sun refused to shine
even if romance ran out of rhyme
you would still have my heart untill the end of time
cause all I need is you my valentine
you're all I need, my love, my valentine
