It was written that I would love you
>From the moment I opened my eyes
And the morning when I first saw you
Gave me life under calico skies
I will hold you for as long as you like
I'll hold you for the rest of my life

Always looking for ways to love you
Never failing to fight at your side
While the angels of love protect us
>From the innermost secrets we hide
I'll hold you for as long as you like
I'll hold you for the rest of my life

Long live all us crazy soldiers who were born under
calico skies
May we never be called to handle
All the weapons of war we despise
I'll hold you for as long as you like
I'll hold you for the rest of my life
I'll hold you for as long as you like
I'll hold you for the rest of my...
For the rest of my life
