Transcription #1

Give Ireland Back To The Irish
Don't Make Them Have To Take It Away
Give Ireland Back To The Irish
Make Ireland Irish Today

Great Britian You Are Tremendous
And Nobody Knows Like Me
But Really What Are You Doin'
In The Land Across The Sea

Tell Me How Would You Like It
If On Your Way To Work
You Were Stopped By Irish Soliders
Would You Lie Down Do Nothing
Would You Give It To ???

Give Ireland Back To The Irish
Don't Make Them Have To Take It Away
Give Ireland Back To The Irish
Make Ireland Irish Today

Great Britian And All The People
Say That All People Must Be Free
Meanwhile Back In Ireland
There's A Man Who Looks Like Me

And He Dreams Of God And Country
And He's Feeling Really Bad
And He's Sitting In A Prison
Should He Lie Down Do Nothing
Should Give In Or Go Mad

Give Ireland Back To The Irish
Don't Make Them Have To Take It Away
Give Ireland Back To The Irish
Make Ireland Irish Today

Give Ireland Back To The Irish
Don't Make Them Have To Take It Away
Give Ireland Back To The Irish
Make Ireland Irish Today

Transcription #2 (possibly a parody of this song)

give ireland back to the irish
don't make them have to take it away
give ireland back to the irish
make ireland irish today

great britain you offend us
and nobody knows like me
but really what are you doing
in that land across the sea
tell me how would you like it
if on your way to work
you were stopped by irish soldiers
would you lie down, do nothing
would you give in to those men

great britain and all the people
know that people must be free
but meanwhile up in belfast & derry
there's a man who looks like me
and he dreams of god and country
and he's feeling really bad
because he's rotting down in H block
would you lie down, do nothing
would you give in to those men
