"HELEN WHEELS"

Words and Music by Paul McCartney

Said farewell to my last hotel, it was never much kind  
of abode  
Glasgow town never brought me down when I was  
heading out on the road  
Carlisle city never looked so pretty and the Kendal  
freeway's fast  
Slowdown driver, want to stay alive, I want to make this  
journey last.

Chorus

Helen, Hell on wheels, ain't nobody else gonna know  
the way she feels  
Helen, Hell on wheels, and they never gonna take her  
away

M6 south down to Liverpool, where they play the west  
coast sound,  
Sailor Sam he came from Birmingham but he never will  
be found  
Doing fine when a London sign greets me like a long  
lost friend,  
Mister motor won't you check her out, she's got to take  
me back again.

Chorus
