Some people say she's a bad girl
Some people think she's a fool,
Some people tell me she's no good,
But I'm telling you.
It's not true, it's not true, it's not true.

They say that my girl's a mad girl,
No saying what she may do,
Some people tell me she's crazy,
But I'm telling you.
It's not true, it's not true, it's not true.

Ooh...Ooh...Ooh...They've been talking to the fellas,
Ooh...Ooh...Ooh...Have they never heard of jealousy?
Ooh...Ooh...Ooh...If she helps me write the melody.
I'll let the words take care of themselves.

It's not true, it's not true, it's not true.
It's not true.

Ooh...Ooh...Ooh...They've been talking to the fellas,
Ooh...Ooh...Ooh...Have they never heard of jealousy?
Ooh...Ooh...Ooh...If she helps me make the memories.
I'll let the words take care of themselves.

Some people say she's a loser,
Some people tell me that she's through,
Some people say I don't love her,
But I'm telling you.
It's not true, it's not true, it's not true.
What they say about her isn't true.

Don't you know it isn't true? It's not true...
