You're talking to me from the back of my car
And I can't get nothing right
And then you wonder why I stand at the bar
Day and night

Well, I've had enough
I can't put up with anymore
No, no, no, no, no, no
I've had enough
I can't put up with anymore
No, no, no, no, no, no

You stay behind me with a watch in your hand
And I can't get nothing done
Oh, people tell me you're a ponctual man
But c'mon, C'mon!

I've had enough
I can't put up with anymore
No, no, no, no, no, no
I've had enough
I can't put up with anymore
No, no, no, no, no, no

I earn the money and you take it away
When I don't know where you're from
I should be worried but they'll say it'll pay for a bomb
Ooooooooooh!

I've had enough
I can't put up with anymore
No, no, no, no, no, no
I've had enough
I can't put up with anymore
No, no, no, no, no, no

Baby, you know sometimes
You get a little weary
But if it ever happens honey
You just come along to me
Because you know

I've had enough
I can't put up with anymore No, no, no, no, no (...)
