"LIVE AND LET DIE"

Words and Music by Paul McCartney

When you were young and your heart was an open
book,
You used to say live and let live.
(You know you did, you know you did, you know you
did.)
But if this ever changing world in which we live in
makes you give it a cry, say Live and Let Die!
Live and Let Die, Live and Let Die, Live and Let Die

What does it matter to ya,
when you got a job to do, you gotta do it well
You gotta give the other fellow Hell!
