NO MORE LONELY NIGHTS (Paul McCartney)

I can wait another day, until I call you
You've only got my heart on a string and everything a'
flutter
But another lonely night might take forever
We've only got each other to blame, it's all the same to
me love

'Cause I know what I feel to be right
No more lonely nights, never be another, no more
lonely nights
You're my guiding light, day or night I'm always there

May I never miss the thrill of being near you?
And if it takes a couple of years to turn your tears to
laughter

I will do what I feel to be right
No more lonely nights, never be another, no more
lonely nights
You're my guiding light, day or night I'm always there

And I won't go away until you tell me so
No I'll never go away

Yes I know what I feel to be right
No more lonely nights, never be another, no more
lonely nights
You're my guiding light, day or night I'm always there

And I won't go away until you tell me so
No I'll never go away, no more lonely nights
