By Paul McCartney

Oh woman, oh why, why, why, why
What have I done
Oh woman, oh where, where, where, where, where
Did you get that gun

Oh what have I done
What have I done

Well I met her at the bottom of a well (of a well)
Well I told here I was tryin' to break a spell (break a spell)
But I can't get by, my hands are tied
don't why I ever got her to try myself
cause I can't get by, my hands are tied

Oh woman, oh why, why, why, why
What have I done
Oh woman, oh where, where, where, where, where
Did you get that gun

Oh what have you done
Woman what have you done

Well I am fed up with you lying cheating ways (cheating ways)
But I get up every morning and every day (every day)
But I can't get by , my hands are tied
Don't why I want her to try myself
Cause I can't get by, my hands are tied

Oh woman, oh why, why, why, why
What have I done
Oh woman, oh where, where, where, where, where
Did you get that gun

Woman, what have I done
What have you done
What have I done
