Can I get you to give me a minute of your time?  
Can I get you to slip me the answer?  
Can I get you to show me a little of your mime?  
You were always a very good dancer.

I'd be happy to show you a bit a what I found,  
I'd be happy to share in it's beauty,  
I'd be happy to lay low inevitably bound,  
I would only be doing my duty.

I wait, I wait, I can wait. I can wait back in the bar.  
I can wait, I can wait, I can wait back in the car.  
I'll be waiting for you.

Stranglehold, you know you've got one on me,  
I don't want to go without you.  
Stranglehold, you've got me where you want me,  
But I want to know more about you.  
I want to know more about you.

Are you willing to wager a little of your life?  
Are you willing to take such a gamble?  
Are you ready to walk on the edge of the knife?  
Then I think we can skip the preamble.

I wait, I wait, I can wait. I can wait.  
I can wait back in the bar, I can wait, I can wait,  
I can wait back in the car, I'll be waiting for you.  
I'll be waiting...

Stranglehold, you know you've got one on me,  
I don't want to go without you.  
Stranglehold, you've got me where you want me,  
And I want to know more about you.  
I want to know more about you.

I can wait, I can wait back in the bar.  
I can wait, I can wait, I can wait back in the car.  
I'll be waiting for you.
