"WITH A LITTLE LUCK"

Words and Music by Paul McCartney

With a Little Luck, we can help it out
We can make this whole damn thing work out
With a Little Luck, we can lay it down
Can't you feel the town exploding

There is no end to what we can do together (together)
There is no end (there is no end, there is no end)
The willow turns his back on inclement weather
and if he can do it, we can do it, just me and you

and a little luck, we can clear it up
We can bring it in for a landing
With a Little Luck, we can turn it on
there can be no misunderstanding.

With a Little Luck, With a Little Luck, With a Little Luck,
a little luck, a little luck.
With a Little Luck, With a Little Luck, With a Little Luck,
a little luck, a little luck. (repeat and fade)
