Three o'clock in the mornin'  
And it looks like it's gonna be another sleepless night  
I've been listening to your dreams and gettin' very low  
Wonderin' what I can do

Maybe I'm being foolish  
'Cause I haven't heard you mention anybody's name at  
all  
How I wish I could be sure it's me that turns you on  
Each time you close your eyes  
I've heard it said that dreamers never lie

You've been talkin' in your sleep  
Sleepin' in your dreams with some sweet lover  
Holdin' on so tight lovin' her the way  
You used to love me  
Talkin' in your sleep  
With lovin' on your mind
