Lately I'm alone a lot  
Mostly I guess you're not  
Forgive me if I stop and stare  
I was just a little unprepared  
So the world has fallen at your feet  
Yeah you hardly even missed a beat  
Every day your heart beats a little stronger  
But my nights for me get a little longer  
You've gone on a million miles from here  
Swept up like a feather in the air  
Well you make it look so easy  
I don't think it's quite fair  
'Cause baby I'm still trying  
To get myself up and flying  
I should be farther on by now  
I just can't seem to catch a breeze somehow  
I should be free to leave the ground  
With no dreams left to weigh me down  
Well could you tell me what I have to do  
I've been trying to deny the truth  
But here it is now the living proof  
The one I love loves someone new  
You've gone on a million miles from here  
Swept up like a feather in the air  
Well you make it look so easy  
I don't think it's quite fair  
Cause lately I'm still trying  
To get myself up and flying  
Oh you make it look so easy  
I don't think it's quite fair  
Cause lately I'm still trying  
To get myself up and flying
