Kid down the street
mows the lawn every week.
The neighbor next door
fixed the roof where it leaked.

The jobs going fine
and the bills are all paid.
And everyone thinks
that I'm doin' ok.

There's a guy down at work
he's asked me out once or twice.
I haven't said yes
but I'm thinkin I might.

Then on my way home
I thought I saw you walk by.
If only I could get
you out of my mind.

-chorus-

-What in the world
-Am I gonna do about you?
-Oh your memory keeps comin back
-from out of the blue.

-Oh well I've tried, and I've tried
-but I still can't believe that we're through
-So tell me what in the world
-am I gonna do about you?

-What am I gonna do about you.

I went to the store
but it wasn't much fun.
It doesn't take long
when your shopping for one.

And standing in line

I thought I saw you walk in.
And that's when it started
all over again.

-chorus-

Darlin' what am I gonna do, about you.
