I've got something to tell you that I just can't say
So I'm writing it down in case maybe someday
Our lives take a turn down a road we can't see right
now
I know you're happy and I'm happy for you
But since you've found each other I've been so
confused
Cause I believe there's one soul on this earth that was
meant for mine
I was sent here to find

Chorus
What if it's you
What if your hearts were meant to be one
What'll I do
Knowing that I'll never love anyone
As much as I do love you
What if it's true
What if it's you

If destiny called and I missed my cue
Do I get one more chance
Oh, how I wish I knew
I'll never again put my heart in the hands of fate
If it's too late

Chorus

If I ever hold you
I'll never let go
But if I never do how will I know

Chorus
