I just want to get a little more out of my payday.  
Finally own a care that doesn't break down on the  
freeway.  
A littel vacation... ain't asking very much.  
I hate comin' home to this old broken down apartment,  
Wish I had a dime for every hold that's in the carpet.  
No, I don't want it all... but I ain't got enough.  
-Chorus-  
All I want is a life.  
Drink from a glass from a well that ain't dry.  
I'm sick of the crumbs... I want a piece of that pie...  
All I want is a life.  
I don't mind the hours and the pain that comes from  
workin',  
But it's enough to kill me when I see my baby hurtin'...  
Wanna give her that diamond... I never got to buy.  
She keeps tellin' me that everthing is gettin' better,  
But one stop up the rung and someone knocks me off  
the ladder,  
I wanna break, even someday before I die.  
-Chorus-
